I. Read docket No. 7168—L. B. 321-06-3, dated the 19th February 1907, from the Secretary to the Government, intimating that it has been decided by the Chief Commissioner of Coorg to advise the District Board of Coorg to abolish their Kyatehole toll-gate, so that one might be established by the Hassan District Board on the Arkalgud-Kodlipet-Manjarabad road, on the Mysore side of the Hassan District, and requesting the placing of this matter before the Hassan District Board for consideration and submission of a copy of their resolution for the orders of Government, with a sketch showing the position of the existing British toll-gates and the place where it is proposed to open a toll-gate on the Mysore side of Kyatehole.

Resolution.—Resolved that the proposal of the Chief Commissioner of Coorg to open a toll-gate on the Mysore side of the Arkalgud-Kodlipet-Manjarabad road, be adopted, the toll-gate being located at the junction of the above road with the Banawasi-Yeslurpet road. It is recommended that, as suggested by the Chief Commissioner of Coorg, only one toll be collected, either at the Mysore toll-gate or the Coorg toll-gate, on carts passing the toll-gate within twenty-four hours.

II. Read General and Revenue Secretary's docket No. 7647—L. B. 162-06-4, dated the 6th March 1907, requesting a report if the Hassan District Board are willing to bear half the cost of construction of bridle paths in Mysore in continuation of those in Coorg, *i.e.*, from Somwarpet joining the Arkalgud-Konanur and Saklespur-Bisleghat roads, since the entire cost cannot be debited to Local Funds General.

Resolution.—The Board express their inability, at present, to meet the moiety of the cost of construction of the road.

III. Read the General and Revenue Secretary's docket No. 9081—L. B. 224-06-3, dated the 2nd April 1907, forwarding for report with the resolution of the District Board, Subject No. 497 of the Dasara Representative Assembly of 1906, in the matter of opening a feeder road to Tiptur-Huliyar road from Hosdurga to Honnavalli.

Resolution.—The Board considers that so far as the interest of this district is concerned, it is at present unnecessary to open a road from Hosdurga to Honnavalli.

IV. Read the General and Revenue Secretary's docket No. 9321—L. B. 402-05-8, dated the 9th April 1907, observing that, as the proposed classification of shops in santes for the levy of fees therein leads to complication, Government consider that the scale of fees levied in santes elsewhere may be tried as a tentative measure, and requesting to report whether this is agreeable to the Board, and if so, which of the rates they would prefer, and also to state what conveniences are intended to be provided for persons attending the santes, to justify the levy of fees in santes.

Resolution.—On a reconsideration of the question, the Board is of opinion that the question of the levy of tax on shops in santes may be dropped for the present.

V. Read the General and Revenue Secretary's memo No. 9780, dated the 24th April 1907, forwarding a copy of his docket No. 9779—L. B. 54-05-10, dated 24th April 1907, in the matter of meeting the cost of construction of a bridge across the halla falling into the Cauvery near Kerlapur, and observing that, if the Hassan District Board cannot contribute at least a third of the cost, there is no chance of the work being undertaken.
